Assistant Commissioner for Patents  
Attention: Refund Section, Accounting Division, Office of Finance  
Washington, D.C. 20231

Sir:

On January 22, 2002, Applicants filed a response to an Office Action in the above-identified patent application. Applicants' response included additional dependent claims. The fee paid for these additional claims was miscalculated and a check in the amount of \$108.00 was filed as payment for the additional claims. The correct small entity filing fee for the additional dependent claims is \$63.00. A copy of the transmittal letter and check for the filing fee that accompanied the response are enclosed for your reference. This request is made within two months of the date the filing fee was paid in this application.

Please make refund by crediting \$45.00 to our deposit account, No. 50-0842.
